6. etape af Paris-Nice blev aflyst grundet kraftig vind.

"Efter at have gennemgået flere muligheder for at ændre ruten og vente på forbedring i vejrtilstandene har arrangørerne af Paris-Nice besluttet at aflyse 6. etape af hensyn til rytternes sikkerhed.

Det er i enighed med de lokale myndigheder," skriver A.S.O. i en pressemeddelelse.
